The generally accepted definition of a professional investor is any person:
 - (a) whose ordinary business involves, whether for his own account or the account of others, the acquisition or disposal of property of the same kind as the property of the Fund; or
 - (b) whether individually or jointly with his spouse, has net worth in excess of one million US Dollars or its equivalent in any other currency and that he consents to being treated as a Professional Investor.

Friends Provident International Limited is classified as the Professional Investor and we operate the internal fund to enable our policyholders to collectively access the underlying fund.
